FCYC Yachtsman of the Year Awards

There are two Yachtsman of the Year Awards for each coast, one for owners in their boats visiting the most FCYC Clubs and one for owners in their boats cruising the most miles between FCYC Clubs.

The following rules would apply for these awards:

- This award is based on activity during a calendar year, starting on January 1 and ending on December 31.
- Each participating owner will record applicable cruises in a FCYC Cruising Log obtained from the FCYC website or from his club's Fleet Captain. The dockmaster of the club visited, or his representative, must sign each Cruising Log entry. Club Fleet Captains may obtain Cruising Logs from the FCYC website or the appropriate FCYC Fleet Captain.
- Repeat club visits are not counted for either award, e.g., for the mileage award, a cruise from Club A to Club B may be counted only once per year. However, for a subsequent cruise from Club A to Club C with a stop at Club B, the mileage from Club B to Club C may be counted. In other words, each club may be counted as counted as a destination only once per year. For specific ruling, consult the appropriate FCYC Fleet Captain.
- A visit to a club may be of any duration providing dock lines, an anchor, or a mooring are actually used. If the Club is unable to accommodate the visiting boat due to a lack of space, a stay at a nearby marina is permitted if the Club dockmaster is cognizant and he or his representative signs the Cruising Log.
- Mileage between Clubs will be the statute miles shown in the "Dock-to-dock Distances Between Clubs" as shown on the chart dated January 1, 2015.
- Club Fleet Captains will submit annual Cruising Logs to the appropriate FCYC Fleet Captain by February 1 of the following year. FCYC Fleet Captains will recommend the recipients for this award to the Executive Committee and all awards will be presented at the FCYC Change of Watch in March.
- No owner may receive both awards. If an individual should be entitled to both awards, he will receive the award of his choice and the other award will be given to the runner-up in the other category.

Founders' Cruising Award

In addition to the Yachtsman of the Year Awards, the Florida Council of Yacht Clubs offers the Founders Award named in honor of the 13 yachts clubs which initially formed the Florida Council of Yacht Clubs. To attain this award, a boat owner from any FCYC club must visit 13 or more FCYC clubs in a calendar year.

The following rules apply for this award:

- The award is based on activity during a calendar year, starting on January 1 and ending on December 31.
- Each participating owner will record applicable cruises in a FCYC Cruising Log obtained from the FCYC website or from his club's Fleet Captain. The dockmaster of the club visited, or his representative, must sign each Cruising Log entry. Club Fleet Captains may obtain Cruising Logs from the FCYC website or the appropriate FCYC Fleet Captain.
- Repeat club visits in one year are not counted for this award.
- A visit to a club may be of any duration providing dock lines, an anchor, or a mooring are actually used. If the Club is unable to accommodate the visiting boat due to a lack of space, a stay at a nearby marina is permitted if the Club dockmaster is cognizant and he or his representative signs the Cruising Log.
- Club Fleet Captains will submit annual Cruising Logs to the appropriate FCYC Fleet Captain by February 1 of the following year. FCYC Fleet Captains will review all Cruising Logs submitted, will determine if a minimum of thirteen FCYC Clubs have been visited, and will recommend the names of all recipients for this award to the Executive Committee and all awards will be presented at the FCYC Change of Watch in March.
- This award is not exclusive to a single boater and may be won by multiple boaters each year. Individual boaters may win this award in multiple years as long as they visit at least 13 or more FCYC Clubs within a calendar year.
