WELCOME MEMBERS
& DIRECTORS TO
Coral Reef Yacht Club

GENERAL MEETING
JANUARY 16TH - 18TH, 2026

INVITATION FROM THE COMMODORE

Dear Council Members and Directors,

On behalf of the Members, Officers, and Directors of Coral Reef Yacht Club, it is my pleasure to welcome you to our Club for the General Meeting of the Florida Council of Yacht Clubs, taking place January 16th –18th, 2026.

We hope you will consider arriving early to enjoy the charm of Coconut Grove and the camaraderie of fellow members from other Council Clubs.

Enclosed you will find everything needed to enjoy a full weekend of fellowship and productivity as we tend to FCYC business. All reservations and cancellations must be made through your Club Manager. Club Managers, kindly submit reservation forms at your earliest convenience, and no later than December 22, 2025, to our Front Desk at frontdesk@coralreefyachtclub.org.

If you have any questions not addressed in the enclosed materials, please feel free to contact our Front Desk at (305) 858–1733 or via email. You may also reach out to our FCYC Representative, Past Commodore Dr. Joe Mensch, to whom we are most grateful for his continued service.

We look forward to welcoming you in January.

Best Regards,

Jim Hartenstein

DIRECTIONS BY

WATER

Coral Reef Yacht Club is located in the waterfront area of Coconut Grove on the western shore of Biscayne Bay. On nautical charts, look for Dinner Key Marina in Coconut Grove, just south of the Rickenbacker Causeway, which spans the Bay to Key Biscayne.

There are two main approaches to the Club. The first is through the Dinner Key Main Channel, which offers a depth of 8 feet. The second, located slightly north of the Main Channel, is the Seaplane Channel, a privately maintained channel with a depth of 5 feet.

If you are approaching CRYC from the south, head north toward downtown Miami until you reach Donovan's Mark at the entrance of the Dinner Key Main Channel. The safe entry point for the Dinner Key entrance to Coconut Grove is located at N25°42.98' W080°12.40'. For vessels drawing more than 5 feet, use this entrance, maintaining a heading of 330°. Once near the docks, bear right and stay close to the moored boats. After rounding the Dinner Key docks, keep to the left side of the basin. You will pass several landmarks: a Shell gas station dock, the entrance to Shake-A-Leg Miami, Monty's docks, and the Biscayne Bay Yacht Club docks, before reaching the CRYC docks.

If approaching from the north, departing from downtown Miami, proceed south under the Rickenbacker Causeway Bridge toward the Quick Flash Mark as you near Coconut Grove. The safe entry point for the Seaplane Channel is at N25°42.13' W080°12.57'. This is the northernmost entry channel to Coconut Grove. Look for a dolphin marker (a four-piling structure with a light) that marks the entrance. Turn right on a heading of 330°, aiming toward the tallest building on the north side of Coconut Grove with Monty's in front of it.

Begin your right turn when approximately 100 yards from the docks. Take care not to cut the corner, as the area is shallow. You will pass the Biscayne Bay Yacht Club docks before reaching the CRYC docks.

GUEST SPEAKER

IRIS GUZMAN KOLAYA

Local Historian

Iris Guzman Kolaya, writer and researcher of South Florida history, will delve into the area's rich maritime heritage, charting the history of boating on Biscayne Bay from the area's first regatta in 1887 through the post-World War II rise of yacht clubs, marinas, and recreational boating culture. She will explore how boating became woven into Miami's identity, reflecting the city's dynamic growth and spirit.
