FCYC Commodores  
FCYC Officers, Directors and Alternate Directors  
FCYC General Managers

On behalf of the members and staff of the Venice Yacht Club, it is our pleasure to host the General Meeting and Change of Watch for The Florida Council of Yacht Clubs March 13 – 15, 2026. This is a special time for us as we celebrate the 100th anniversary of Venice City along with the 75th anniversary of VYC. Our club is proud of our past contributions and continued involvement in the positive growth of the Venice Community.

As with most FCYC locations the Venice area has seen explosive population growth over the past few years. As a result, our hotels are in high demand especially during spring break, so I urge you to make your reservations early.

All the details for this event are included in the enclosed package. Registration should be completed by February 28th and cancellations received by March 6th. Please note any dietary restriction on your reservation and should you require any special assistance please contact Ms. Krissy Shannon at [reservations@veniceyachtclub.com](mailto:reservations@veniceyachtclub.com).

Looking forward to the weekend,

*Michael Marquette*  
Commodore, Venice Yacht Club

## Venice Yacht Club History

The VYC was established in 1951 with 25 initial members. In 2026 we are excited to celebrate our 75th “Diamond Jubilee” Anniversary with special events, parade floats, and honorary guests.

We welcome you at the Venice Yacht Club where our membership honors and respects its legacy in the true spirit of its founding members as set forth in our charter: “A maritime tradition situated on beautiful waters, highly valuing enduring friendships of common interests and having fun together.”

The “story” of the Venice Yacht Club begins with its extraordinary founding members. Weary of a long drive to Sarasota to sail their boats, they wanted to establish a sailing and boating place in Venice, Florida. Gathering in a private home during 1950, the Venice sailors drafted a charter application for approval to form a yacht club in Venice.

Becoming a reality in February 1951, the Club is situated on Roberts Bay, contiguous to the Gulf of Mexico. From our docks into Roberts Bay, boaters and sailors are on the intra-coastal waterway and quickly reach the Venice Inlet that flows into the Gulf, delivering the fastest and easiest access of any yacht club along the west coast of Florida.

The original 25 members from 1951 has grown to a cap of 780 memberships. Our members enjoy boating and sailing, dining, social events, and adherence to maritime traditions in a family-oriented environment. Members support a deep commitment to the greater Venice community’s non-profit organizations with grants by its member-funded Charitable Foundation and volunteer board of directors.

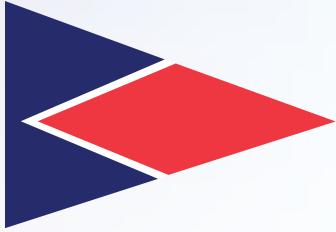

*Left: The Meeting and Social Event Room the yacht club leased in the Tarpon Center Resort from 1951 until 1961 when the yacht club's new clubhouse was opened on Roberts Bay, below.*

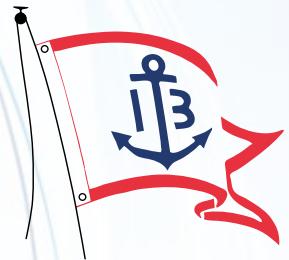

VYC's charter encourages “the education of the young people in the community in the science of navigation, the art of sailing and small boat handling...” In its 75 years of operation, first as the Pram Fleet, then continuing as Venice Youth Boating Association, over 5,000 Venice area boys and girls have learned to sail at the Venice Yacht Club, a remarkable achievement for a small yacht club in a small town! It is only one of the many ways our Foundation supports the community.
