

Welcome to Lauderdale Yacht Club

Since 1938, Lauderdale Yacht Club has proudly served as a private, member-owned club that balances rich tradition with a relaxed, family-friendly atmosphere. Nestled in a serene Fort Lauderdale neighborhood along the Intracoastal Waterway, we're a hidden gem where members and guests alike feel at home. Whether you're here for a day on the water, a fine meal, or simply to relax by the marina, our club is ready to welcome you.

History of LYC

Lauderdale Yacht Club, founded in 1938 by Harlow N. Davock and local yachting enthusiasts, began as a hub for boating and social activities in Fort Lauderdale. In 2020, the club underwent a major renovation, unveiling a state-of-the-art, two-story clubhouse that enhances the club's offerings while preserving its legacy. With a focus on seamanship and community, LYC continues to be a premier destination for boating, recreation, and social gatherings.

Dining Oasis

Lauderdale Yacht Club provides exceptional dining and social experiences for every occasion. Members can enjoy patio dining with stunning Intracoastal views, cozy up in the intimate Cove, or keep it casual in the Cypress Room. For drinks, relax outside by the Pavilion, or head to the exclusive 21-and-up Abenaki Lounge, where members can enjoy expertly crafted cocktails in an elegant indoor setting.

Marina

Lauderdale Yacht Club is host to 65 dock slips that wrap around the marina. We gladly welcome guests from other yacht clubs and individuals sponsored by LYC members. Please contact our Marina Director to learn more about our dockage program.

Extracurricular Activities

Lauderdale Yacht Club has something for everyone: a heated Olympic-size pool, five clay tennis courts, and a Castaway Kids Club offering fun activities like games and crafts on Friday nights. It's the perfect place for family fun and relaxation!
