Nestled in the quaint beach town of New Smyrna Beach (NSB) on the beautiful Indian River and only a short distance from Ponce de Leon Inlet, Smyrna Yacht Club is in an ideal location for boating of all types. Members participate in a wide variety of boating activities such as competitive ocean racing, racing our Capri 16.5 sailboats on the river, wooden cocktail boat racing, sport fishing, leisure cruising, kayaking, or just enjoying their yacht at the docks.

We offer a range of dining options, including lunch and dinner, available at both the Clubhouse and the Tiki. Inside the Clubhouse, you can choose from several dining venues: the formal Compass Dining Room, the Dockside Terrace, the Commodore's Lounge and Bar, the Wheel Room, or poolside. The Clubhouse also offers Sunday brunch. Dress code and service vary by venue so to be sure to inquire about those details when you call to make reservations.

Our recently renovated and upgraded pool is now saltwater and heated, offering a luxurious swimming experience. The area features elegant new furniture and travertine tile. Please note that there is no lifeguard on duty; swimming is at your own risk. The pool is open during daytime hours. Dining is available poolside. Next to the pool are bathrooms complete with showers.
