History

Founded in 1904, the Tampa Yacht & Country Club has long served as a social and recreational hub for Tampa's leadership and boating community. The club has rebuilt its iconic clubhouse multiple times following fires in the early 20th century, with the current structure dating to 1939. Over the decades, TYCC has expanded to include a full-service marina, tennis and pickleball complex, swimming pool, and equestrian facilities. Today, it remains one of Florida's premier private clubs, known for its rich traditions, waterfront setting, and strong member community.

Dining and Beverage Services

TYCC offers a full-scale food & beverage program that spans multiple dining formats from formal à la carte restaurant service to casual, family-friendly settings and pavilion/poolside dining options. With two kitchens, three dining rooms, a ballroom, and a pavilion, members have a variety of atmospheres for everything from daily meals to special events. The culinary philosophy emphasizes fresh, high-quality ingredients, simply prepared, with menus that rotate seasonally or quarterly to maintain variety. FCYC members are welcome to join most Club Events, with the exception of Gasparilla Invasion Breakfast, and most Holiday Buffets due to high demand.
